

## Buckets series 610/615 LDPE - with graduation

### Industrial and laboratory buckets:

With and without spout. Plastic coated steel handle. Would you like them to be individually printed? Just contact us!

### Builder's bucket, dark grey:

With rustproof handle.

All buckets are thick-walled and very stable for a long working life and with graduated litre scale.

### Application:

- \* dispensing \* sending samples \* mixing
- \* transferring \* transport
